ALM BEACH, Fla., April 5.—This marked the final week of the resort festivities here, with the closing of the Beach Club for the season early in the week. Although the Breakers closes in a few days, a number of the cottages will not be relinquished for some time yet. Palm Beach has a spring appeal that winter residents are beginning to appreciate, and the tendency will be a yearly increase in the April cottage colony.

This has proved a record season for Palm Beach real estate. H. S. Kelsey of Boston and H. S., Bond of Hariford are the largest purchasers, having bought property valued at fully \$500,000. Early in the season a big tract of 28,000 acres of Evergiades and humand.

property valued at fully \$500,000. Early in the season a big tract of 28,000 acres of Evergindes and hummock land was acquired by Mr. Kelsey, who will establish model farms and otherwise develop the tract. Early in the week these men took over another enormous holding of twenty-five square miles adjoining the original purchase. Mr. Bond and Mr. Kelsey plan to erect winter residences upon the ocean front property held by the first property held by the first property held by the ocean front property held by the ocean front property held by the first property held by the first property held by the ocean front property held by the ocean front property held by the first property held by the f apon the ocean front property held by

occupied by the Philadelphia capitalist early next season. J. S. Phipps is also contemplating building on the ocean front. William Prime has signed contracts for an Italian villa, while Theodore Frelinghuysen, Gurnee and Charles Munn and Frank O. Butler will return to new homes next year.

Mrs. Gustave Walker and her niece, Miss expending being a house party there.

Mr. and Mrs. John S. Garvin of Hartford, who were married there early in the week, are spending their honeymoon there at the Breakers. Mrs. Garvin, who was formerly Mrs. Frank Rand of Chicago, was in Palm Beach earlier than the season.
